

Dear PCK Families,

Thank you to everyone for a successful 2017-18 school year and the contributions that our PCK Families continue to donate each year. Carrying on our legacy to be the premier P-8 school in Douglas County is possible because of YOU! Each year the Foundation at PCK, the fundraising arm of Parker Core Knowledge, holds the Annual Giving Campaign to offset financial needs for our school that are not covered by our operating budget.

2018-2019 GOAL: \$150,000

HOW DOES MY DONATION BENEFIT MY CHILD AT SCHOOL?

The Foundation at PCK's Teacher Grant Program provides teachers and staff an opportunity to request items outside of their annual budget that are needed in their classrooms to enhance the education of our children. Funds raised by the Foundation provide this opportunity to our teachers and staff twice a year. Thus far we have been able to fulfill every single request! In just one year, this program has provided funds for the following:

- Gaga Ball Pit
- One legged stools for 1st Grade classrooms
- Adjustable height desks
- Additional microwaves for cooking classes
- Refrigerators for staff and classroom projects
- iPads for ALL of the resource teachers
- Art Supplies
- Incubators for kindergarten classrooms
- New Character Trait Education materials
- Additional seating in the middle school commons

HOW CAN I DONATE?

Your donations to The Foundation at PCK are tax deductible and can be made by clicking on the Foundation link at www.ckcs.net, or by check with the attached pledge card. You can make a single donation or set up three installments over the course of the year. Don't forget to ask your company if they will match your donation!

The exceptional environment PCK provides for our students to learn, grow, and succeed is possible largely because of your commitment to support these programs. We are grateful for your continued support and generosity.
