

Dear Parents,

We hope you enjoyed a nice, relaxing Spring Break, all things considered. We wanted to touch base with you about Spanish classes as we embark on this new journey of remote learning. Our goal is to provide students with opportunities to learn and practice Spanish without becoming overwhelmed at home.

For elementary grades (Kindergarten-5th Grade), students will not have specific Spanish assignments. It is important that students focus on core subjects. We also understand that it may be difficult for students to do a foreign language at home. However, we will send you some resources including videos, songs, and websites where students can practice Spanish if they would like.

For 6th-8th Grades, we will be communicating with students directly using Google Classroom and Google Hangouts Chat. Google Classroom is where we will post assignments and due dates and students will be able to turn them in. Chat is where students can ask questions in a discussion group. Students are still welcome to send emails for specific, individual questions.

We want this to be a smooth process for everyone. Please do not hesitate to contact us by email if you have any questions or concerns. As always, but now more than ever, thank you for your support at home.

Sincerely,

The Spanish Department

Spanish Resources:

[YouTube](#) (for K-5th)

-El Perro y El Gato

-Basho and Friends

-Calico Spanish for Kids

[Spanish Spanish](#) (for K-8th, username: parker core, password: knowledge)

[Conjuguemos](#) (for 5th-8th)

[PHSchool-Realidades](#) (for 5th-8th)
