

Good afternoon! I'm Randy Lastar and I wish to be considered for a position on the PCK Board of Directors. I'd like to introduce myself and give a little background.

First and foremost, I am the father of two amazing PCK students, Lilia (4th grade) and Xavier (2nd grade), and we've been in the PCK ecosystem since the end of 2013 when we started our journey at PCK Preschool. Over these many years, my wife Sarah and I have been very active including volunteering, donating, organizing, and assisting with all types of class and school events, and even winning some fantastic prizes at the annual Gala auction! I have attended every classroom event, PTA event, parent/teacher conference, and meeting since we were accepted into the school. I know just how lucky we are to have our kids at the best school in the county and we never take that for granted! We believe in PCK's mission strongly and work to both support and fulfill it in every way. This school year, we've chosen to place our kids into the REO program, and think it's important that we're represented on the board. Nearly 1 out of 5 PCK students are learning from home this year and I believe that we need a member on the board involved with the REO program. I've always been active in the PCK Facebook group, and while I speak my mind, I work hard to acknowledge that we are all together as a community and a family that always has the best interest of our kids' and their education at heart. I love speaking with staff and PCK parents and that's broadened my perspective on all sorts of different issues. I'm always willing to change my opinion if a better idea arises!

As for experience and expertise, I've been an entrepreneur and small business owner for all of my life, and am very technologically literate and far-sighted with respect to planning and making important decisions. In my business, I am not only the owner, but I'm also the accountant, the inventory manager, and the IT Guy. If I don't know how to do something, I either learn how or I find the best person to help me out. I've been President of my neighborhood HOA, and participated in business leadership councils. Since my kids were born, I have been fortunate to work from home, which means that not only am I able to easily attend school events, but I hope it shows that I have put my kids and their education at the top of my priorities.

In short, I believe that I have the skills and experience, the passion, and the devotion to PCK to be a productive member of the PCK Board of Directors! I ask for your vote and your encouragement and support.

Thank you,  
Randy Lastar
