

My family and I have lived in the Parker area since 2011. Our daughter started PCK in 3rd and is now in the 7th grade, and our son started PCK in first grade and is currently in 3rd.

I grew up in a household in small town Iowa where my mother was not only a teacher for 38 years, but *my* teacher for 2.5 years. That always makes for interesting dinner conversation. I went to the University of Northern Iowa where I received a Business Degree with an emphasis on Human Resources. I received my MBA from Regis. Sorry, not going to mention years of graduation.

I am former Corporate Executive of a Facility Management Company who managed 21 states with \$170M in annual contracts and approximately 7,000 employees. Currently I own and operate a small businesses in the Parker area. I'm grateful for this arrangement, as it allows me to be a father and husband, while serving the Parker community.

I have been an active member of our neighborhood POA since 2012 and work towards many different projects such as Fire Mitigation, Neighborhood Clean-up Day, and Dumpster Day to name some.

I would be honored to serve on the PCK Board and help continue the high standard they are known for.

Sincerely

Rion Buswell, MBA
