

## Parent Volunteer Planning Tool 2018-19

I am committed to supporting PCK through my volunteer efforts. I understand that my volunteer time, combined with the efforts of the PCK staff, allow PCK to provide the highest quality education and academic environment for all students. I plan to meet my 2018-19 volunteer commitment of 20 hours/year by volunteering in the following area(s):

Volunteer Event, Opportunity or Area of Volunteer Interest	Number of Hours Allocated
<b>Total Hours</b>	

Thank you for making a plan to meet your 2018-19 volunteer commitment, and for helping the PCK Board reach their goal of 100% parent participation by the end of the 18-19 school year. We appreciate your support!

*If you are unable to volunteer in person, or you prefer to pay out your volunteer hours at \$25/hour, please visit the PCK website, PCK Web Store - Volunteer Hours tab, to pay online. Thank you.*
